

Homework Term 1 Week 3

English Focus

You all have a SEED book. This book is used for brainstorming and generating ideas that could be used in your writing.

You are to find 5 SEEDS which you can put into your book at school.

Some of these may include:

- Photos
- Tickets
- Drawings
- Mind maps
- Song Lyrics
- Magazine images
- Inspirational quotes

Each SEED should be related to a different topic. For example, a holiday you have been on, your favourite music artist or someone that inspires you. You are to write down 5 words to describe each SEED. Think about how that SEED makes you feel, what it looks like and what you can hear.

You can then use these ideas as a starting point for your writing in the classroom 😊

Enjoy!

Challenges on Manga High. These are set at 3 different levels. You can choose a level that you think suits your understanding or try all 3!

Spelling words:

generate	experiences	genre	persuasive	astonishing	magnificent
ideas	wonder	narrative	thoughts	overwhelming	thrilling
