POLICY

1. School profile

Coburg West Primary School was established in 1917 and is located approximately 8 kilometres north of Melbourne. We have 427 students enrolled from Grade Prep to 6 and 30 school staff members including a school nurse, a wellbeing leader and an inclusion officer.

Our school grounds are typical for an inner city location, and we are surrounded by a supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school.

Our school is culturally diverse with a small amount of families having a language background other than English (LOTE). The school also has representation from the Koorie community. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Coburg West Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community:

At CWPS our community of lifelong learners are preparing for their future. Our school supports students to be engaged in an inclusive, safe and respectful learning environment of global citizens.

6. Student behavioural expectations and flow chart

Behavioural expectations of students are grounded in our school's Statement of Values

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Coburg West will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Year Level Coordinator
- restorative practices
- behaviour support and intervention meetings
- suspension
- expulsion

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/expulsions/policy>
