

# HOME LEARNING WEEK 2, TERM 2 -

Structured Word Inquiry <use>

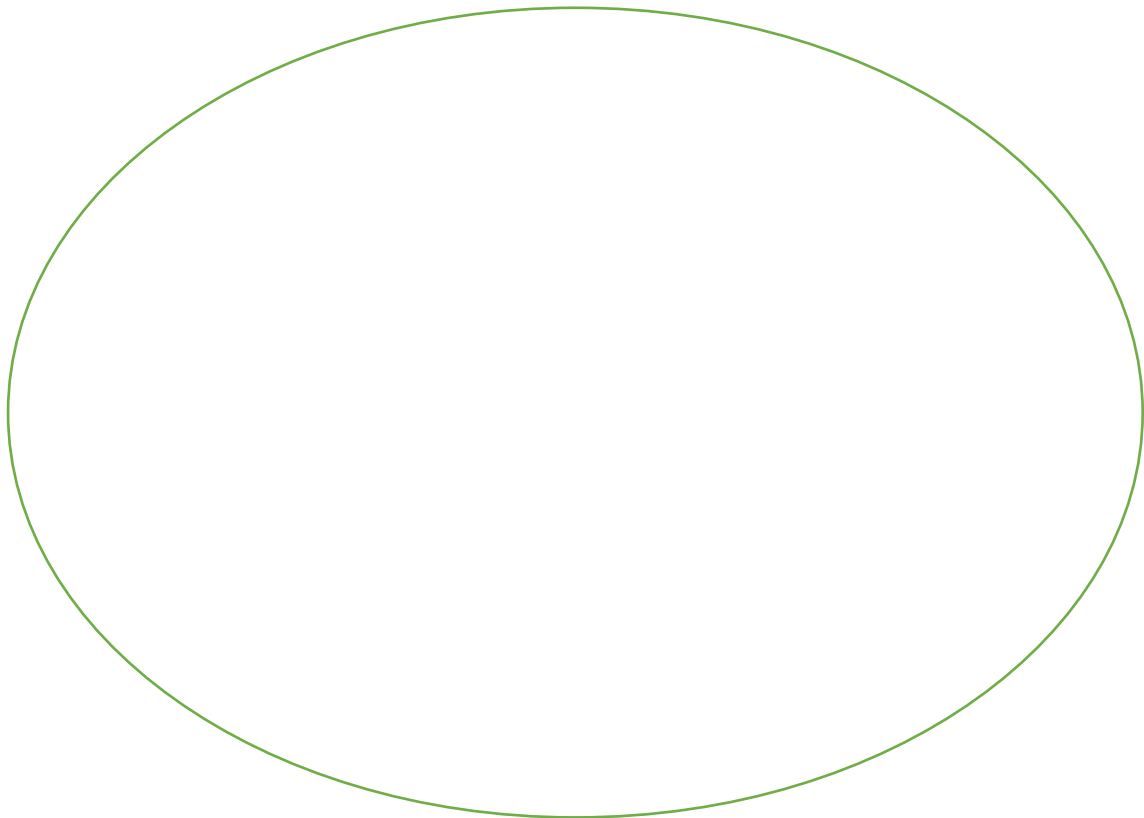

What does the base <use> mean? Write it here:

Use means

---

Sort the following words as either inside or outside of the word family circle for the base <use>.

Using, user, used, reused, overused, underused, fuse, uses, amuse, house, pause, users, museum, useful, because, excuse, useless, usefully, overuses, usefulness, uselessness, underusing, overusing

Once you have sorted the words into or outside of the word family, pick at least **three** of the words and write them as word sums. Remember, you need to say the word sums aloud as you write them.
