Dear School Community,

While it was great to see and chat with so many families during our Parent and Teacher Meetings this week, it has been a whirlwind end to this school term with so much to celebrate.

5/6 Market Day

Last week our gym was overflowing with students, staff and families visiting the Grade 5/6 Market. As part of their studies, students were required to work in small groups to develop a small business, with branding, concepts for marketing and cost-effective ways to bring together their products for sale to maximise their profits. While we had so many innovative ways to attract customers, it was wonderful to see so many families in attendance to support our students. Congratulations to our grade 5 / 6 students and staff.

3/4 Space Expo

It was also wonderful to see so many families attending our grade 3 and 4 Space Expo earlier this week. The students took great pride in showcasing what they had learnt about space and our solar system. It was pleasing to see our students proudly sharing their knowledge and their creative ways of displaying what they had learnt. Well done to all our 3/4 students.

Pizza Lunch Day

Thank you once again to Phil and his team at *Panini e Pizzeria* on Melville Rd, for providing our delicious Pizza Lunch last Tuesday.

Thank you, Community Group

On behalf of all who attended our CWPS Student Disco last Friday night, I wish to thank our parent volunteers from the CWPS Community Group who ensured it was a fantastic night of dancing, fun and entertainment for all students. Congratulations and thank you to Anna and Claire who led the planning and organisation of this wonderful event.

Enrolments Close 31 July

Please remind friends, neighbours or family who have a child ready to start school in 2027 and live within our school zone, that enrolments are now open. To align with the Department of Education enrolment timeline, new enrolments must be submitted by 31 July 2026. Feel free to stop by the office to collect an enrolment pack or call 9386 1286 to arrange an enrolment tour.

EOFY Payments

As we approach the end of the Financial Year, I take this opportunity to remind everyone that while in COMPASS, you can make tax deductible donations to both the CWPS Building Fund and the Library Fund. Money donated into these Funds, allows our school to make improvements to our classrooms and structures, along with replenishing our library and classrooms with a range of reading materials. Your donations help ensure your children are safe, comfortable and always have access to a broad selection of literature to support their learning. In the coming holiday break, nine classroom spaces will have their carpets replaced made possible by your donations to the Building Fund. You can donate via COMPASS and once the payment is processed, the office staff will issue you with your tax-deductible receipt.

Artwork @ Emil's

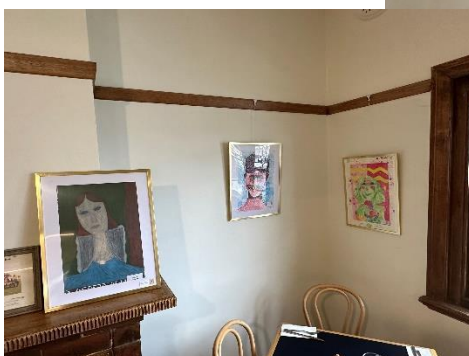

While you all enjoy some time together over these holidays, may I suggest you visit *Emil's Café* on Reynard Street and take a look at the artwork on display. A selection of artworks created by students from across our school, are now on exhibit inside the café. While we could only display a small number of pieces, please show your support and take a look. Or feel free to view a much broader collection of student work on exhibit in and around the entry to our Visual Art/Italian learning space.

Wishing everyone a safe and enjoyable holiday break.

See you all at 9am on Monday 13 July for the start of Term Three.

Keep warm.

**Kind regards,
Mark Colagrande
Principal**

2026 VICTORIAN PREMIERS' READING CHALLENGE

A message from the Victorian Premiers Reading Challenge organisers for possible activities to plan for the upcoming school holidays:

School holiday adventures at the State Library Victoria

Thank you to our partners State Library Victoria this winter you can step into the library for treasured tales and creative adventures where memories are made page by page.

Inspired by *These Long-Loved Things* by Josh Pyke and Ronjoy Ghosh, create keepsake photo frames to add to our new collaborative installation celebrating stories and memories we hold close.

Roll into our new *Drive-In Storytime* event, a nostalgic twist on our beloved *Storytime* sessions where children can build cardboard cars before parking up to a screening of *The Gruffalo*.

With writing workshops and more to explore, discover stories that last a lifetime at State Library Victoria.

Book your tickets to our *Pages of Time* events now.

Keep up the wonderful commitment to this challenge, you're all doing a brilliant job! Below is our status to date.

Lunchtime Maths Group explores decimals in Top Trumps Game!

In Term 2, we played Top Trumps Cards to learn about comparing decimals. After playing, we made our own Top Trumps versions of the decimal cards.

We learnt about tenths, hundredths and thousandths. They are 10 times smaller each time!

We then played with our cards we made. Each card has for four categories to compare the decimals. The winner is the player with the largest decimal.

We had so much fun playing and making our own Top Trumps Cards. By

Celebrating Our Education Support Planning Day

Our recent Education Support (ES) Planning Day was a valuable opportunity for our dedicated ES team to come together, reflect on practice, and strengthen the support we provide to our students.

Throughout the day, staff engaged in an intensive professional learning session focused on small-group literacy intervention. Together, they explored evidence-based strategies, shared expertise, and developed a deeper understanding of how targeted instruction can help every learner build confidence and achieve success.

Collaboration was also a key focus, with the team working closely to review and align students' Individual Education Plan (IEP) goals. These rich professional discussions ensured that each student's needs remain at the centre of our planning, while fostering a consistent and cohesive approach across the team.

Days like these highlight the incredible commitment of our ES staff. Their willingness to learn, collaborate, and continually refine their practice reflects the care and dedication they bring to supporting our students every day. Behind every successful intervention, every personalised goal, and every moment of student growth is a team of professionals working tirelessly to make a meaningful difference.

We extend our sincere thanks to our Education Support team for their enthusiasm, professionalism, and unwavering commitment to creating inclusive learning experiences where every student has the opportunity to thrive.

A special thanks to Patricia and the Wellbeing Team for all their amazing work in organising the day

This term OSHC has held heaps of fun activities. This term we have introduced the OSR (OSHC student reps) 😊

WEEK 1

In week one we organised an Indy 500 race, the different teams got to design their own race cars and showed gratitude by acknowledging ANZAC day. 🇦🇺

WEEK 2

We created our own cushions and had some activities based on jazz day making harmonicas. On Thursday morning we turned the big room into a jazz cafe! We had smoothies and egg and bacon wraps while listening to some jazz beats. 🎵

WEEK 3

In week 3 we celebrated our mother's at OSHC by creating beautiful gifts. We had a photo booth and mums were invited to have a scone that was baked by Amy L, Bo A and Gina. 💖

WEEK 4

The Grade 6's made two big stepping stones to put in our OSHC garden. We also held a boat race for the students, where they got to design boats that were fast and waterproof. 💧

WEEK 5

In week 5 the Grade 6's made individual stepping stones. Some of the kids at OSHC did creative fairy garden crafts and our crochet abilities were rising and everyone was practicing making big finger knitted chains. 🧶

WEEK 6

Week 6 was an exciting week packed with loads of activities, we turned our corner into a busy pizza shop! And lots of kids enjoyed making pizzas for their friends. To celebrate the dreamtime AFL match we designed our own jerseys. 🏈

OSHC PARENT FEED BACK SO FAR

So far the parents have said lots of positive things about OSHC like, the lovely team, fun activities, the yummy food, the clubs that are interactive and fun. All the parents have said their kids LOVE coming to OSHC!
