Wednesday 16 th	Graduation Ceremony	Grade 6
Friday 18 th	Last Day of Term 4	1:30pm Dismissal

Dear School Community,

It has been a wonderful term of learning and growing for all our students. So, the holidays have come at a very good time.

Celebrating Student Effort

This term has been one full of opportunities to celebrate the achievements and effort of students across our school.

- Book Week Celebrations were quickly followed up with our amazing Writers Festival where we celebrated the extraordinary writing pieces created by every student across our school. It was wonderful to see so many families visit the exhibition of works and join the special assemblies.
- Our Athletics team came first, of all the schools in our District, bringing home the Shield after many years. You can see the Shield on display in our Office corridor.

- Two grade six students who, as part of our Challenge Learning Inquiry Program (CLIP), have ranked third in the Nation with their entry in the National Australian Esports League Minecraft Build Challenge. Well done to both Lucas and Georgia.
- Our Wellbeing Student Leaders have also been acknowledged for the short film they submitted as part of the 18th Focus on Ability Short Film Festival becoming finalists in this National event. Winners will be announced later in October.

An awesome effort by all students involved, but a very special thank you must go to our staff who support and guide our students through these wonderful opportunities and experiences.

Prep 2027 Transition

We recently welcomed our 2027 Prep students and their families into school with the start of our Transition Program. It was wonderful to see the children getting comfortable in the Prep classrooms and making new friends, while their families also got to know one another. The full Transition Program continues throughout Term Four.

Biketober Time

With the commencement of the term, we start Biketober. This event encourages students to ride to school and is being led by our Sustainability Student Leaders. Look out for more information in this newsletter. To further build on this initiative, our school community will be getting involved in a very special event known as Open Streets. We will be needing parent volunteers to assist our Sustainability Student Leaders in running this event, so lookout for more information to come early in Term 4.

Planning for 2027

As Term Four commences, we will begin planning for the 2027 school year.

For those families who currently have children in Grade Prep to Five, if you should decide to move your child to another school next year, we would appreciate you advising us in writing as soon as you can. This information will assist us greatly with planning for 2027.

School returns 9am on Monday 5th October 2026.

Wishing everyone a safe and restful holiday period.

**Kind regards,
Mark Colagrande
Principal**

Get ready for Biketober & Open Streets!

Next term, we're gearing up for a special Biketober program. Over the month of October, we'll be running competitions to support more children to get on their bike in preparation for... Open Streets! At the end of Biketober, we'll be celebrating by running Open Streets on Devon Avenue, working with Council's Ride & Stride program. Open Streets transform the streets around schools into vibrant, car-free spaces where children and families can ride and stride to school safely during drop off and pick up times. We'll share more details in Term 4, but for now get excited and check out a video of the Open Streets program [here](#)

2026 COBURG WEST WRITER'S FESTIVAL

It has been 3 years since our last Writer's Festival, and we are so happy to be back together celebrating our students and their wonderful writing. The celebration being the culmination of weeks of work from the students of Coburg West. All have worked extremely hard to produce a piece of writing under the theme, 'Extraordinary Adventures.'

There were pieces written about important people, places, animals and items. Sharing the pieces and reading work from across the school is a joy for all. It is particularly gratifying to read and reflect the creativity of our students. This is the power of writing!

Students, teachers, parents and friends please take the time to visit the exhibit in the small hall until Wednesday 16th September to see the work that each student has produced.

Below is a list of the students acknowledged for their work in this year's Writer's Festival.

PREP L

Most improved writers
awarded to:

Billy D.

GRADE 6 TEAM

Most outstanding piece about the topic
'Extraordinary Adventures' is awarded to:

Ella L.

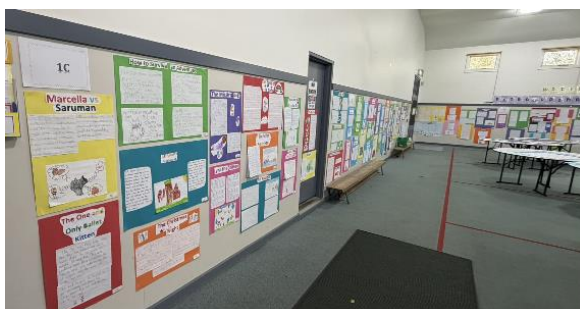

Lux L.

Congratulations and thank you to **all the students** who produced such amazing writing. It has been a pleasure to read your pieces. I would like to thank the teachers for driving this special event in their classes. Additionally, a special thank you to the English Curriculum Team whose support and contributions are appreciated.

Thank you also to Mr Colagrande, Mr Copping & Ms Currie for their work in taking the time to read and judge the pieces.

Finally, enjoy the Coburg West Primary School Writer's Festival pieces for 2026!

Patricia Amerena
English Leading Teacher

Get your bikes ready for Biketober in Term 4!

Our school will be competing in this year's Ride & Stride Biketober competition!

Biketober is a month-long campaign in October to encourage students to walk, ride and scoot to school this Spring. This helps ease school traffic, improve safety around our school gates and bring the community together for a competitive and exciting month of activities.

We will be competing against 11 other local Merri-bek primary schools, so we need your help to top the leaderboard – the winning school receives the Icycle Bicycle for a day (a cargo-bike serving free ice-cream to all students!).

*Over October, our students will be participating in weekly competitions every **Wednesday** – there are prizes for the best new rider, most creative rider, best family rider, and a bling your bike day! Something for everyone, even if you can't ride to school often.*

*The first **Wednesday** back is 'Back on your Bike' day. We'll be awarding a prize to a student who hasn't ridden in a while (or ever) and is getting back on their bike for Biketober!*

We will keep you updated on the weekly challenges throughout the month, so for now – pump up your kid's tyres, get a practice ride in over the holidays if you'd like, and get ready for some fun!

SPRING EDITION - 2026

COBURG WEST OSHC NEWS!

It's been a busy term at OSHC! We would like to start with a special mention to our O.S.R's, Goldie.W, Charlotte. D, Astrid.C, Tilda.M, Jack.G, Raffy.U for gathering all the information for our Term 3 Newsletter! Here's a little sneak peek at what we've been creating, exploring, learning, and enjoying this term.

Cooking Club: A Recipe for Fun!

Cooking club is led by our educator master chef Carla! These sessions are run alongside the 5/6 student helpers and it has been a grade prep cooking focus this term. Keep an eye out for next terms chefs, we have our wonderful grade 6's cooking in a range of challenges including some Master Chef fun!

Some highlight quotes from our club members:

Patrick.Y - Prep "I love cooking and I love eating what we make"

Lucy.S - Prep "My favourite thing is mixing and making the cookies, because they smelt so yummy"

Florence.U - Prep "I like putting the ingredients in and my favourite thing I've made is the cookies"

Ray.E-R - Prep "I like mixing the best and the muesli bars have been my favourite thing"

Mixing It Up at Science Club!

Our new science club leader this term is professor Jude, and these slimy sessions run every Thursday! Sessions cater to students from Foundation to Grade 6 and all are welcome to join in on the fun.

Experiment highlights this term have been;

- Skittles in milk/water
- Ice cream in a bag
- DIY slime
- Volcano explosions

Student highlight quotes:

Astrid C. - Grade 3

"I enjoy learning new stuff each week. I loved ice cream in a bag, and even though it didn't work, we got to have vanilla milkshakes instead, and it still tasted good."

WE'VE GOT SOME NEW STICK-Y FRIENDS

We have some new stick-y friends who have moved into our OSHC building and plan on stick-ing around. Students brainstormed names together and we held a drawing of names out of a hat and we landed on;

- Leaf
- Pinky
- Little Dude
- Stick Seven

Feel free to pop in to meet them all or give them a spritz!

COBURG WEST OSHC NEWS!

Dance Mode

Our OSHC Dance Group, led by educator Shanae, has been working incredibly hard to put together their very own dance mash-up. Bringing together students of mixed ages, the group spent weeks practising, learning choreography and building their confidence as a team.

Their hard work paid off when they had the exciting opportunity to perform their dance mash-up at the school assembly! We were so proud to see them take to the stage with confidence, enthusiasm and plenty of energy.

A huge congratulations to all of our dancers, and a special thank you to Shanae for encouraging and supporting the group along the way!

WELCOME TO LUEDECKE LODGE!

We are very excited about the newest addition to our OSHC space – our wonderful new cubby house, generously donated by the Luedecke family!

The cubby has already been an absolute hit with the children. In fact, it became so popular that we even had to introduce a roster to make sure everyone had a chance to enjoy it!

The students have officially named their new favourite space “Luedecke Lodge”, which we think is the perfect way to recognise the family who made it possible.

A huge thank you to the Luedecke family for their very generous donation. Luedecke Lodge is already bringing so much fun, creativity and imaginative play to our OSHC community!

OSHC - Gardening Club

During the last school holidays, our Gardening Club planted carrots in our garden and have been patiently watching and caring for them as they grew.

This week, it was finally time to reap the rewards, and what a harvest it was! The children pulled up a huge bunch of fresh carrots and were absolutely thrilled to see what had been growing beneath the soil.

There were plenty of smiles and excitement as they discovered carrots of all shapes and sizes. It was wonderful to see their hard work rooted in success; we can't wait to see what our little gardeners grow next!

A special mention to brothers Benjamin C. and Alexander C. for cultivating our garden box in preparation for our Spring garden.

Choose a Main Course item, then select 1 or 2 Items from the Snack/Drink Menu to make up a 2 or 3 Course Lunch Pack

Main Course Menu

BAKERY - All items freshly baked this morning!
